GENERAL

We are furnishing you this proxy statement in connection with the solicitation of proxies by our Board of Directors for the 2018 Annual Meeting of Stockholders (the "Annual Meeting"). We are first furnishing this proxy statement and the accompanying form of proxy to stockholders on or about August 15, 2018. In this proxy statement, except where the context suggests otherwise, we refer to Saratoga Investment Corp. as the "Company," "Saratoga," "we," "our" or "us" and the Board of Directors as the "Board."

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or otherwise provide voting instructions, either via the Internet or telephone, and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors.**

ANNUAL MEETING INFORMATION

Date and Location

We will hold the Annual Meeting on September 27, 2018 at 10:00 a.m., local time, at the offices of Eversheds Sutherland (US) LLP, located at 1114 Avenue of the Americas, New York, NY 10036.

Admission

Only record or beneficial owners of Saratoga common stock as of the close of business on July 31, 2018 or their proxies may attend the Annual Meeting. Beneficial owners must also provide evidence of stock holdings, such as a recent brokerage account or bank statement.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposal:

1. To elect Christian L. Oberbeck as a director of the Company, to serve until the 2021 Annual Meeting of Stockholders or until his successor is duly elected and qualified.

VOTING INFORMATION

Record Date and Quorum

The record date for the Annual Meeting is the close of business on July 31, 2018 (the “Record Date”). You may cast one vote for each share of common stock that you own as of the Record Date. On the Record Date, approximately 7,453,947 shares of common stock were outstanding. A quorum is necessary to hold a valid meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast at the meeting will constitute a quorum at the meeting. Abstentions are counted as present for purposes of establishing a quorum.

If a quorum is not present at the Annual Meeting, or if a quorum is present but there are not enough votes to approve the proposal, the person named as chairman of the Annual Meeting may adjourn the meeting to permit further solicitation of proxies. A stockholder vote may be taken on a proposal in this proxy statement prior to any such adjournment if there are sufficient votes for approval on such proposal.

Submitting Voting Instructions for Shares Held Through a Broker

If you hold shares of common stock through a broker, bank or other nominee, you must follow the voting instructions you receive from your broker, bank or nominee. If you hold shares of common stock through a broker, bank or other nominee and you want to vote in person at the meeting, you must obtain a legal proxy from the record holder of your shares and present it at the meeting. If you do not submit voting instructions to your broker, bank or other nominee, your broker, bank or other nominee is not permitted to vote your shares on any proposal considered at the meeting.

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of common stock, you may authorize a proxy to vote on your behalf by mail, as described on the enclosed proxy card. Authorizing a proxy will not limit your right to vote in person at the meeting. A properly completed, executed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke the proxy. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares according to the Board’s recommendations.

Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy by: (1) delivering a written revocation notice prior to the Annual Meeting to our Secretary, Henri J. Steenkamp, at 535 Madison Avenue, New York, New York 10022; (2) delivering a later-dated proxy that we receive no later than the opening of the polls at the meeting; or (3) voting in person at the meeting. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the meeting.

Votes Required to Adopt the Proposal

<u>Proposal</u>	<u>Vote Required</u>	<u>Broker Discretionary Voting Allowed:</u>	<u>Effect of Abstentions and Broker Non-Votes</u>
<i>Proposal 1</i> —Election of Christian L. Oberbeck as a director of the Company, to serve until the 2021 Annual Meeting of Stockholders or until his successor is duly elected and qualified.	Affirmative vote of the holders of a majority of the shares of stock outstanding and entitled to vote at the Annual Meeting.	No	Abstentions and broker non-votes, if any, will have the effect of a vote against this proposal.

INFORMATION REGARDING THIS SOLICITATION

The Company will bear the expense of the solicitation of proxies for the Annual Meeting. The Company has retained Saratoga Proxy Consulting, LLC to assist in the solicitation of proxies for estimated fees of \$7,500 plus out-of-pocket expenses. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

Householding of Proxy Statement Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of brokerages and other institutional holders of record have implemented householding. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request information about householding of their communications should contact their brokers or other intermediary holder of record. You can notify us by sending a written request to our Secretary, Henri J. Steenkamp, at 535 Madison Avenue, New York, New York 10022, or by calling (212) 906-7800.

BENEFICIAL OWNERSHIP OF COMMON STOCK

The following table sets forth, as of August 2, 2018, the beneficial ownership of each current director, the nominees for director, the Company’s executive officers, each person known to us to beneficially own 5.0% or more of the outstanding shares of our common stock, and the executive officers and directors as a group.

The percentage ownership is based on 7,453,947 shares of common stock outstanding as of July 27, 2018. Shares of common stock that are subject to warrants or other convertible securities currently exercisable or exercisable within 60 days thereof, are deemed outstanding for the purposes of computing the percentage ownership of the person holding these options or convertible securities, but are not deemed outstanding for computing the percentage ownership of any other person. Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power with respect to securities. To our knowledge, unless otherwise indicated in the footnotes to this table, the persons and entities named in the table have sole voting and sole investment power with respect to all shares beneficially owned. Unless otherwise indicated by footnote, the address for each listed individual is Saratoga Investment Corp., 535 Madison Avenue, New York, New York 10022.

PROPOSAL 1—ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of our Board. Pursuant to our Articles of Incorporation, the Board may modify the number of members of the Board provided that the number of directors will not be fewer than three or greater than eleven and that no decrease in the number of directors shall shorten the term of any incumbent director. The Board currently consists of five members, of whom three are not “interested persons” of Saratoga, as defined in Section 2(a)(19) of the 1940 Act. Section 303A.01 of the New York Stock Exchange Listed Company Manual requires that the Company maintain a majority of independent directors on the Board and further provides that a director of a business development company (“BDC”) shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act.

Under our Articles of Incorporation, our directors are divided into three classes. Each class of directors will hold office for a three-year term, and until his or her successor is duly elected and qualified. At each Annual Meeting, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the Annual Meeting of Stockholders held in the third year following the year of their election and until their successors have been duly elected and qualified or any director’s earlier resignation, death or removal.

Christian L. Oberbeck has been nominated for re-election for a three year term, expiring in 2021. Mr. Oberbeck has not been nominated to serve as a director pursuant to any agreement or understanding between each of them and the Company.

A stockholder can vote for or against each of the nominees or abstain from voting. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named below.** If any of the nominees should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person or persons nominated as a replacement. The Board has no reason to believe that the persons named will be unable or unwilling to serve.

Our Board unanimously recommends a vote “FOR” this proposal.

Board Leadership and the Board's Role in the Oversight of Risk Management

Our board of directors monitors and performs an oversight role with respect to the business and affairs of the Company, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to the Company. Among other things, our board of directors approves the appointment of our investment adviser, administrator and officers; reviews and monitors the services and activities performed by our investment adviser, administrator and officers; and approves the engagement, and reviews the performance of, our independent public accounting firm.

Under our bylaws, the Board may designate a chairman to preside over the meetings of the Board and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board. The Company does not have a fixed policy as to whether the chairman of the Board should be an independent director and believes that its flexibility to select its chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders. Mr. Oberbeck, who is an “interested person” of the Company as defined in Section 2(a)(19) of the 1940 Act, serves as both the Chief Executive Officer and chairman of the Board. The Board believes that Mr. Oberbeck, as chief executive officer of the Company and as a principal of Saratoga Investment Advisors, is the director with the most knowledge of our business strategy and is best situated to serve as chairman of the Board.

Pursuant to the Company's Corporate Governance Guidelines, the Company has designated Steven M. Looney, the Chairman of the Audit Committee, as the presiding director of all executive sessions of independent directors. Executive sessions of the independent directors are held at each board meeting. Interested parties, stockholders and holders of the Company's notes that desire to communicate directly with the Board of Directors or one or more of its members concerning the affairs of the Company may direct the communication in written correspondence by letter to: Saratoga Investment Corp., attention Mr. Steven M. Looney, Chairman of the Audit Committee, 535 Madison Avenue, New York, New York. We believe that our board leadership structure must be

[Table of Contents](#)

evaluated on a case-by-case basis and that our existing board leadership structure is appropriate. However, we continually re-examine our corporate governance policies on an ongoing basis to ensure that they continue to meet our needs.

The Board, directly and through the audit committee and other committees of the Board, takes an active role in the oversight of the Company's policies with respect to the assessment and management of enterprise risk. Among other things, the Board has policies in place for identifying the senior executive responsible for key risks as well as the Board committees with oversight responsibility for particular key risks. In a number of cases, oversight is conducted by the full Board. Our Board also performs its risk oversight responsibilities with the assistance of the chief compliance officer. The Chief Compliance Officer is designated to oversee compliance with the federal securities laws.

We believe that our Board and its committees' role in risk oversight complements our Board's leadership structure because it allows our independent directors, through three fully independent board committees, auditor and independent valuation providers, our Chief Compliance Officer, and otherwise, to exercise oversight of risk without any conflict that might discourage critical review. We believe that our board leadership structure and the Board's approach to risk oversight must be evaluated on a case-by-case basis and that the Board's role in risk oversight is appropriate. However, we continually re-examine the manner in which the Board administers its oversight function on an ongoing basis to ensure that it continues to meet our needs.

Review, Approval or Ratification of Transactions with Related Persons

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own 10% or more of our voting stock, to file reports of ownership and changes in ownership of our equity securities with the SEC. Directors, executive officers and 10% or more holders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of those forms furnished to us, or written representations that no such forms were required, we believe that our directors, executive officers and 10% or more beneficial owners complied with all Section 16(a) filing requirements during the year ended February 28, 2018, except as set forth below.

Director Independence

In accordance with rules of the New York Stock Exchange (the “NYSE”), the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company’s Nominating and Corporate Governance Committee and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in the NYSE Listed Company Manual. Section 303A.00 of the NYSE Listed Company Manual provides that business development companies, or BDCs, such as the Company, are required to comply with all of the provisions of Section 303A applicable to domestic issuers other than Sections 303A.02, the section that defines director independence. Section 303A.00 provides that a director of a BDC shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors is independent and has no relationship with the Company, except as a director and stockholder of the Company, with the exception of Messrs. Oberbeck and Grisius, who are interested persons of the Company due to their positions as officers of the Company and officers of Saratoga Investment Advisors, LLC, our external investment adviser. Steven M. Looney is the designated lead independent director of our board of directors.

Annual Evaluation

Our directors perform an evaluation, at least annually, of the effectiveness of the Board and its committees. This evaluation includes a series of questions for the directors to consider, followed by a discussion among the Board, Board committees, the Company’s management and outside legal counsel.

Board Meetings and Committees

Our Board met seven times during fiscal year 2018. Each director attended at least 75% of the total number of meetings of the Board and committees on which the director served that were held while the director was a member. The Board’s standing committees are set forth below. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each annual meeting of stockholders. All of the directors attended the 2017 Annual Meeting of Stockholders in person.

Communications with Directors

Stockholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to Saratoga Investment Corp., 535 Madison Avenue, New York, New York 10022, Attention: Secretary. Any communication to report potential issues regarding accounting, internal controls and other auditing matters will be directed to the Audit Committee. Appropriate personnel of the Company will review and sort through communications before forwarding them to the addressee(s).

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to which applies to, among others, our executive officers, including our principal executive officer and principal financial officer, as well as every officer, director and employee of the Company. Requests for copies should be sent in writing to Saratoga Investment Corp., 535 Madison Avenue, New York, New York 10022. The Company's Code of Business Conduct and Ethics is also available on our website at <http://saratogainvestmentcorp.com>.

Committees of the Board of Directors

Audit Committee

The current members of the audit committee are Steven M. Looney (Chairman), Charles S. Whitman III and G. Cabell Williams. The Board has determined that Mr. Looney is an "audit committee financial expert" as defined under Item 407 of Regulation S-K of the Securities Exchange Act of 1934, as amended, and that each of Messrs. Whitman and Williams are "financially literate" as required by NYSE corporate governance standards. All of these members are independent directors. The audit committee is responsible for approving our independent accountants, reviewing with our independent accountants the plans and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The audit committee is also responsible for aiding our board of directors in determining the fair value of debt and equity investments that are not publicly traded or for which current market values are not readily available; where appropriate, the board of directors and audit committee may utilize the services of an independent valuation firm to assist them in determining the fair value of these investments. Finally, the audit committee also reviews our financial statements and the disclosure thereof and the adequacy of our disclosure controls and procedures.

Authority

The audit committee is authorized (without seeking Board approval) to retain special legal, accounting or other advisors and may request any officer or employee of the Company or the Company's outside counsel or independent auditor to meet with any members of, or advisors to, the audit committee. The audit committee has available appropriate funding from the Company as determined by the audit committee for payment of: (i) compensation to any accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, (ii) compensation to any advisers employed by the audit committee, and (iii) ordinary administrative expenses of the audit committee that are necessary or appropriate in carrying out its duties. The audit committee may delegate its authority to subcommittees or the chairman of the audit committee when it deems appropriate and in the best interests of the Company.

Procedures

The audit committee meets as often as it determines is appropriate to carry out its responsibilities under its charter, but not less frequently than quarterly. The chairman of the audit committee, in consultation with the other committee members, determines the frequency and length of the committee meetings and sets meeting agendas consistent with its charter. The audit committee meets separately, periodically, with management, with internal auditors or other personnel responsible for the internal audit function and with the independent auditor. The audit committee met nine times during fiscal year 2018.

A charter of the audit committee is available in print to any stockholder who requests it and it is also available on the Company's website at www.saratogainvestmentcorp.com.

Nominating and Corporate Governance Committee

The current members of the nominating and corporate governance committee are Charles S. Whitman III (Chairman), G. Cabell Williams and Steven M. Looney. All of these members are independent directors. The nominating and corporate governance committee is responsible for identifying individuals qualified to become board members, and recommending to the Board director nominees for election at the next annual or special meeting of stockholders at which directors are to be elected or to fill any vacancies or newly created directorships that may occur between such meetings, recommending directors for appointment to Board committees, making recommendations to the Board as to determinations of director independence, overseeing the evaluation of the Board, overseeing and setting compensation for the Company's directors.

In making its recommendations for Board and committee membership, the nominating and corporate governance committee reviews candidates' qualifications for membership on the Board or a committee of the Board (including making a specific determination as to the independence of each candidate) based on the criteria approved by the Board (and taking into account the enhanced independence, financial literacy and financial expertise standards required under law or the New York Stock Exchange rules for audit committee membership purposes). In evaluating current directors for re-nomination to the Board or re-appointment to any Board committees, the nominating and corporate governance committee assesses the performance of such directors, periodically reviews the composition of the Board and its committees in light of the current challenges and needs of the Board, the Company and each committee, and determines whether it may be appropriate to add or remove individuals after considering issues of judgment, diversity, age, skills, background and experience, considers rotation of committee members and committee chairmen and considers any other factors that are set forth in the Company's corporate governance procedures or are deemed appropriate by the nominating and corporate governance committee or the Board. The nominating and corporate governance committee considers issues of judgment, diversity, age, skills, background and experience in evaluating candidates for membership on the Board.

The nominating and corporate governance committee does not have a formal policy on the consideration of director candidates recommended by stockholders. The board of directors believes that it is more appropriate to give the nominating and corporate governance committee flexibility in evaluating stockholder recommendations.

In the event that a director nominee is recommended by a stockholder, the nominating and corporate governance committee will give due consideration to the director nominee and will use the same criteria used for evaluating board director nominees, in addition to considering the information relating to the director nominee provided by the stockholder.

Authority

The nominating and corporate governance committee has the sole authority to retain and terminate any search firm assisting the nominating and corporate governance committee in identifying director candidates, including sole authority to approve all such search firm's fees and other retention terms. In addition, the nominating and corporate governance committee has the sole authority to retain and terminate any compensation consultant assisting the nominating and corporate governance committee in the evaluation of director compensation, including sole authority to approve all such compensation consultant's fees and other retention terms. The nominating and corporate governance committee may delegate its authority to subcommittees or the chair of the nominating and corporate governance committee when it deems appropriate and in the best interests of the Company.

Procedures

The nominating and corporate governance committee meets as often as it determines is appropriate to carry out its responsibilities under its charter. The chair of the committee, in consultation with the other committee members, determines the frequency and length of the committee meetings and shall set meeting agendas consistent with its charter. The nominating and corporate governance committee met once during fiscal 2018.

[Table of Contents](#)

A charter of the nominating and corporate governance committee is available in print to any stockholder who requests it, and it is also available on the Company's website at www.saratogainvestmentcorp.com.

Compensation Committee

The current members of the compensation committee are G. Cabell Williams (Chairman), Steven M. Looney and Charles S. Whitman III. All of these members are independent directors. The compensation committee is responsible for overseeing the Company's compensation policies generally and making recommendations to the Board with respect to incentive compensation and equity-based plans of the Company that are subject to Board approval, evaluating executive officer performance and reviewing the Company's management succession plan, overseeing and setting compensation for the Company's directors and, as applicable, its executive officers and, as applicable, preparing the report on executive officer compensation that SEC rules require to be included in the Company's annual proxy statement. Currently, none of our executive officers are compensated by the Company and as such the compensation committee is not required to produce a report on executive officer compensation for inclusion in our annual proxy statement.

The compensation committee has the sole authority to retain and terminate any compensation consultant assisting the compensation committee, including sole authority to approve all such compensation consultant's fees and other retention terms. The compensation committee may delegate its authority to subcommittees or the chairman of the compensation committee when it deems appropriate and in the best interests of the Company.

Procedures

The compensation committee shall meet as often as it determines is appropriate to carry out its responsibilities under its charter. The chairman of the compensation committee, in consultation with the other committee members, shall determine the frequency and length of the committee meetings and shall set meeting agendas consistent with its charter. No executive officer should attend that portion of any meeting where such executive's performance (or, as applicable, compensation) is discussed, unless specifically invited by the compensation committee. The compensation committee met once during fiscal 2018.

A charter of the compensation committee is available in print to any stockholder who requests it and is also available on the Company's website at www.saratogainvestmentcorp.com.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2018, none of the Company's executive officers served on the board of directors (or a compensation committee thereof or other board committee performing equivalent functions) of any entities that had one or more executive officers serve on the compensation committee or on the board of directors. No current or past executive officers or employees of the Company or its affiliates serve on the compensation committee.

Executive Compensation

Currently, none of our executive officers are compensated by us. We currently have no employees, and each of our executive officers is also an employee of Saratoga Investment Advisors. Services necessary for our business are provided by individuals who are employees of Saratoga Investment Advisors, pursuant to the terms of the investment advisory and management agreement and the administration agreement.

Director Compensation

Our independent directors receive an annual fee of \$60,000. They also receive \$2,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board meeting and receive \$1,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each committee meeting. In addition, the chairman of the audit committee receives an annual fee of \$10,000 and the chairman of each other committee receives an annual fee of \$5,000 for their additional services in these capacities. In addition, we have purchased directors' and officers' liability insurance on behalf of our directors and officers. Independent directors have the option to receive their directors' fees in the form of our common stock issued at a price per share equal to the greater of net asset value or the market price at the time of payment. No compensation is paid to directors who are "interested persons."

The following table sets forth information concerning total compensation earned by or paid to each of our directors during the fiscal year ended February 28, 2018:

OTHER MATTERS
Audit Committee Report

The audit committee is appointed by the Board to review the Company's financial matters. Each member of the audit committee meets the independence requirements established by the 1940 Act and under the applicable listing standards of the NYSE. The audit committee is responsible for the selection, engagement, compensation, retention and oversight of the Company's independent registered public accounting firm. We are also responsible for recommending to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year.

The role of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by (1) overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements and internal control over financial reporting and (2) reviewing the financial reports and other financial information provided by the Company to the public. However, it is not the Audit Committee's duty to plan or conduct the audits or to determine that the Company's financial statements are complete, accurate and in accordance with generally accepted accounting principles or that its internal control over financial reporting is effective. The Company's management is responsible for the preparation, presentation and integrity of its financial statements, for its accounting and financial reporting principles and for the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles in the United States of America and for auditing and reporting on the effectiveness of the Company's internal control over financial reporting.

In making our recommendation that the Company's financial statements be included in its Annual Report on Form 10-K for the year ended February 28, 2018, we have taken the following steps:

- We discussed management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's evaluation of the Company's internal control over financial reporting, with management and with Ernst & Young LLP, the Company's independent registered public accounting firm for the year ended February 28, 2018.
- We discussed with Ernst & Young LLP those matters required to be discussed by Public Company Accounting Oversight Board Accounting Standard No. 1301, *Communications with Audit Committees*, as currently in effect (which superseded Auditing Standard No. 16), including information regarding the scope and results of the audit. These communications and discussions are intended to assist us in overseeing the financial reporting and disclosure process.
- We conducted periodic executive sessions with Ernst & Young LLP, with no members of the Company's management present during those discussions. Ernst & Young LLP did not identify any material audit issues, questions or discrepancies, other than those previously discussed with management, which were resolved to the satisfaction of all parties.
- We received and reviewed the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with us concerning independence, and we discussed with Ernst & Young LLP its independence from the Company. We also considered whether the provision of non-audit services to the Company is compatible with Ernst & Young LLP's independence.
- We determined that there were no former Ernst & Young LLP employees, who previously participated in the Company's audit, engaged in a financial reporting oversight role at the Company.

[Table of Contents](#)

- We reviewed, and discussed with the Company's management and Ernst & Young LLP, the Company's audited consolidated statement of assets and liabilities at February 28, 2018, and consolidated statements of operations, consolidated statements of changes in net assets and consolidated statements of cash flows for the year ended February 28, 2018.

Based on the reviews and actions described above, we recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended February 28, 2018 for filing with the SEC. In addition, the Audit Committee has approved, and recommended to the Board that it approve, Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the year ending February 28, 2019.

THE AUDIT COMMITTEE

Steven M. Looney, Chair
Charles S. Whitman III
G. Cabell Williams

In addition to fees for the audit of our annual financial statements, the audit of the effectiveness of our internal control over financial reporting and the review of our quarterly financial statements in accordance with generally accepted auditing standards, this category contains fees for comfort letters, statutory audits, consents, and assistance with and review of documents filed with the SEC.

Audit Related Fees. Audit related fees are assurance related services that traditionally are performed by the independent accountant, such as attest services that are not required by statute or regulation.

Table of Contents

Tax Fees. Tax fees include services in conjunction with preparation of the Company's tax return.

All Other Fees. Fees for other services would include fees for products and services other than the services reported above.

It is the policy of the audit committee to pre-approve all audit, review or attest engagements and permissible non-audit services to be performed by our independent registered public accounting firm.
