PROXY STATEMENT

2026 Annual Meeting of Stockholders

GENERAL

We are furnishing you this Proxy Statement in connection with the solicitation of proxies by our Board of Directors for the 2026 Annual Meeting of Stockholders (the “Annual Meeting”). This Proxy Statement, the proxy card and the accompanying proxy materials are being mailed to stockholders on or about August 5, 2026. In this Proxy Statement, except where the context suggests otherwise, we refer to Saratoga Investment Corp. as the “Company,” “Saratoga,” “we,” “our” or “us” and the Board of Directors as the “Board.”

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or otherwise provide voting instructions, either via the Internet or telephone, and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. **If you give no instructions on your signed proxy card, the shares covered by the proxy card will be voted FOR each of the proposals in accordance with the recommendation of the Board.**

ANNUAL MEETING INFORMATION

Date and Location

We will hold the Annual Meeting on September 22, 2026 at 10:00 a.m., Eastern Time, at the offices of Eversheds Sutherland (US) LLP, located at 1114 Avenue of the Americas, New York, NY 10036.

Admission

Only holders of record or beneficial owners of Saratoga common stock as of the close of business on July 27, 2026 (the “Record Date”) or their proxies may attend the Annual Meeting. Only holders of record or beneficial owners as of the Record Date are entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof.

Beneficial owners must also provide evidence of stock holdings, such as a recent brokerage account or bank statement.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following:

1. to elect each of G. Cabell Williams and Henri J. Steenkamp as directors of the Company, each to serve until the 2029 Annual Meeting of Stockholders or until their respective successor is duly elected and qualified; and
2. to ratify the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending February 28, 2027.

VOTING INFORMATION

Record Date and Quorum

The Record Date is the close of business on July 27, 2026. You may cast one vote for each share of common stock that you own as of the Record Date. As of the Record Date, 16,080,916 shares of common stock were outstanding. A quorum is necessary to hold a valid meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions and “broker non-votes” will be treated as shares present for determining whether a quorum is established. A “broker non-vote” with respect to a matter occurs when a broker, bank or other nominee holding shares on behalf of a beneficial owner has not received voting instructions from the beneficial owner on a particular proposal and does not have discretionary authority to vote the shares on such proposal.

If a quorum is not present at the Annual Meeting, or if a quorum is present but there are not enough votes to approve the proposals, the person named as chairman of the Annual Meeting may adjourn the meeting to permit further solicitation of proxies. A stockholder vote may be taken on a proposal in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Submitting Voting Instructions for Shares Held Through a Broker

If you hold shares of common stock through a broker, bank or other nominee, you must follow the voting instructions you receive from your broker, bank or nominee. If you hold shares of common stock through a broker, bank or other nominee and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the Annual Meeting. Brokers, banks and other nominees will not have discretionary authority to vote on the proposal with respect to the election of directors. Therefore, if you do not submit voting instructions to your broker, bank or other nominee, your broker, bank or other nominee is not permitted to vote your shares on the proposal with respect to the election of directors at the Annual Meeting. Brokers, banks and other nominees will have discretionary authority to vote for the ratification of the selection of the Company’s independent registered public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares.

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of common stock, you may authorize a proxy to vote on your behalf by mail, as described on the enclosed proxy card. Authorizing a proxy will not limit your right to vote in person at the Annual Meeting. A properly completed, executed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke the proxy. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares **FOR each of the proposals in accordance with the Board’s recommendations.**

Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy by: (1) delivering a written revocation notice prior to the Annual Meeting to our Secretary, Henri J. Steenkamp, at 535 Madison Avenue, New York, New York 10022; (2) delivering a later-dated proxy that we receive no later than the opening of the polls at the Annual Meeting; or (3) voting in person at the Annual Meeting. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the Annual Meeting. Stockholders have no appraisal or dissenters’ rights in connection with the proposals described herein.

Votes Required to Adopt the Proposal

Proposal	Vote Required	Broker Discretionary Voting Allowed	Effect of Abstentions and Broker Non-Votes
<i>Proposal 1</i> – Election of each of G. Cabell Williams and Henri J. Steenkamp, as a director of the Company each to serve until the 2029 Annual Meeting of Stockholders or until their respective successor is duly elected and qualified.	Affirmative vote of a plurality of the votes cast at the Annual Meeting in person or by proxy.	No	Abstentions and broker non-votes will not be included in determining the number of votes cast and, as a result, do not affect the outcome.
<i>Proposal 2</i> – Ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending February 28, 2027.	Affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy.	Yes	Abstentions and broker non-votes will not be included in determining the number of votes cast and, as a result, do not affect the outcome.

INFORMATION REGARDING THIS SOLICITATION

The Company will bear the expense of the solicitation of proxies for the Annual Meeting. The Company has retained Saratoga Proxy Consulting, LLC to assist in the solicitation of proxies for estimated fees of \$7,500 plus out-of-pocket expenses. The proxy solicitor is an independent party, unrelated to the Company. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

Proxies for the Annual Meeting

The named proxies for the Annual Meeting are Christian L. Oberbeck and Henri J. Steenkamp (or their duly authorized designees), who will follow submitted proxy voting instructions. If a stockholder signs, dates and returns a proxy card but does not make any selection on the proxy card, the named proxies will vote such stockholder's shares "for" each of the proposals in accordance with the recommendation of the Board. They also will vote on any other matters properly presented at the Annual Meeting in their judgment.

Householding of Proxy Statement Materials

The U.S. Securities and Exchange Commission (the "SEC") has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A number of brokerages and other institutional holders of record have implemented householding. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker. Stockholders who currently receive multiple copies of the Proxy Statement at their addresses and would like to request information about householding of their communications should contact their brokers or other intermediary holder of record. You also can notify us by sending a written request to our Secretary, Henri J. Steenkamp, at 535 Madison Avenue, New York, New York 10022, or by calling (212) 906-7800.

BENEFICIAL OWNERSHIP OF COMMON STOCK

The following table sets forth, as of the Record Date, the beneficial ownership of each current director, the director nominees, the Company's executive officers, each person known to us to beneficially own 5% or more of the outstanding shares of our common stock, and the executive officers and directors as a group.

The percentage ownership is based on 16,080,916 shares of common stock outstanding as of the Record Date. The number of shares held by beneficial owners of 5% or more of our outstanding common stock are as of the date of the applicable SEC filing made by those owners (unless otherwise noted). Shares of common stock that are subject to warrants or other convertible securities currently exercisable or exercisable within 60 days thereof, are deemed outstanding for the purposes of computing the percentage ownership of the person holding these options or convertible securities, but are not deemed outstanding for computing the percentage ownership of any other person. Ownership information for those persons who beneficially own 5% or more of our shares of common stock is based upon reports filed by such persons with the SEC and other information obtained from such persons, if available. Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power with respect to securities. To our knowledge, unless otherwise indicated in the footnotes to this table, the persons and entities named in the table have sole voting and sole investment power with respect to all shares beneficially owned. Unless otherwise indicated by footnote, the address for each listed individual is c/o Saratoga Investment Corp., 535 Madison Avenue, New York, New York 10022.

PROPOSAL 1 — ELECTION OF DIRECTOR NOMINEES

Our business and affairs are managed under the direction of our Board. Pursuant to our Articles of Incorporation, the Board may modify the number of members of the Board provided that the number of directors will not be fewer than three or greater than eleven and that no decrease in the number of directors shall shorten the term of any incumbent director. The Board currently consists of six members, of whom four are not “interested persons” (as defined in Section 2(a)(19) of the Investment Company Act of 1940 (“1940 Act”)) of the Company (an “independent director”). Section 303A.01 of the NYSE Listed Company Manual requires that the Company maintain a majority of independent directors on the Board and further provides that a director of a business development company (“BDC”) shall be considered to be independent if he or she is not an “interested person” (as defined in Section 2(a)(19) of the 1940 Act) of the Company.

Under our Articles of Incorporation, our directors are divided into three classes. Each class of directors will hold office for a three-year term, and until his successor is duly elected and qualified. At each Annual Meeting of Stockholders, the successors to the class of directors whose terms expire at such meeting will be considered for re-election for three-year term expiring at the Annual Meeting of Stockholders to be held three years from the date of their election, until their respective successor has been duly elected and qualified or their earlier resignation, death or removal.

Each of Messrs. Williams and Steenkamp have been nominated for re-election for a three-year term expiring at the 2029 Annual Meeting of Stockholders. Neither Mr. Williams nor Mr. Steenkamp are being nominated to serve as a director pursuant to any agreement or understanding between either Mr. Williams or Mr. Steenkamp, on the one hand, and the Company or any other person or entity, on the other hand.

A stockholder can vote “for” or “withhold authority” for each of the director nominees or abstain from voting. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy *FOR* the election of each of the director nominees in accordance with the recommendation of the Board.** If the nominees should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person nominated by the Board as a replacement. Each director nominee has consented to being named in this Proxy Statement and to serving as a director if re-elected at the Annual Meeting. Accordingly, the Board has no reason to believe that the persons names will be unable or unwilling to serve.

The Board unanimously recommends a vote “*FOR*” the election of each of the director nominees.

Executive Officers

For information regarding Mr. Oberbeck, the Chairman of the Board and our President and Chief Executive Officer, and Mr. Steenkamp, our Chief Financial Officer, Chief Compliance Officer, Treasurer, and Secretary, see "— Directors" above.

Board Leadership and the Board's Role in the Oversight of Risk Management

Our Board monitors and performs an oversight role with respect to the business and affairs of the Company, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to the Company. Among other things, our Board approves the appointment of our investment adviser, our administrator and our officers; reviews and monitors the services and activities performed by our investment adviser, our administrator and our officers; and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

Under our Third Amended and Restated Bylaws (the "Bylaws"), the Board may designate a chairman to preside over the meetings of the Board and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board. The Company does not have a fixed policy as to whether the chairman of the Board should be an independent director and believes that its flexibility to select its chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders. Mr. Oberbeck, who is an "interested person" (as defined in Section 2(a)(19) of the 1940 Act) of the Company, serves as the President, Chief Executive Officer and Chairman of the Board. The Board believes that Mr. Oberbeck, as President and Chief Executive Officer of the Company and as a principal of Saratoga Investment Advisors, is the director with the most knowledge of our business strategy and is best situated to serve as Chairman of the Board.

Pursuant to the Company's Corporate Governance Guidelines, the Company has designated Steven M. Looney, the Chairman of the Audit Committee of the Board (the "Audit Committee"), as the presiding director of all executive sessions of independent directors. Executive sessions of the independent directors are held at each Board meeting. Interested parties, stockholders and holders of the Company's securities that desire to communicate directly with the Board or one or more of its members concerning the affairs of the Company may direct the communication in written correspondence by letter to: Saratoga Investment Corp., attention Mr. Steven M. Looney, Chairman of the Audit Committee, 535 Madison Avenue, New York, New York.

The Board, directly and through the Audit Committee and other committees of the Board, takes an active role in the oversight of the Company's policies with respect to the assessment and management of enterprise risk. Among other things, the Board has policies in place for identifying the senior executives responsible for key risks as well as the Board committees with oversight responsibility for particular key risks. In a number of cases, oversight is conducted by the full Board. Our Board also performs its risk oversight responsibilities with the assistance of the Chief Compliance Officer. The Chief Compliance Officer is designated to oversee compliance with the federal securities laws.

We believe that our Board and its committees' role in risk oversight complements our Board's leadership structure because it allows our independent directors, through three fully independent board committees, auditor and independent valuation providers, our Chief Compliance Officer, and otherwise, to exercise oversight of risk without any conflict that might discourage critical review. We believe that our Board's leadership structure and the Board's approach to risk oversight must be evaluated on a case-by-case basis and that the Board's role in risk oversight is appropriate. However, we continually re-examine the manner in which the Board administers its oversight function on an ongoing basis to ensure that it continues to meet our needs.

Transactions with Related Persons

We have entered into an investment advisory and management agreement ("Management Agreement") with Saratoga Investment Advisors. The Management Agreement was initially approved by our Board at an in-person meeting of the Board, including a majority of our independent directors, and was approved by our stockholders at the special meeting of stockholders held on July 30, 2010. Pursuant to the 1940 Act, the Management Agreement remained in effect for an initial period of two years, and has been approved thereafter for additional terms of one year by our Board, including a majority of our independent directors, at in-person meetings. Most recently, on July 6, 2026, our Board approved the renewal of the Management Agreement for an additional one-year term. In approving the Management Agreement, the directors considered, among other things, (i) the nature, extent and quality of the advisory and other services to be provided to us by Saratoga Investment Advisors; (ii) our investment performance and the investment performance of Saratoga Investment Advisors; (iii) the expected costs of the services to be provided by Saratoga Investment Advisors (including management fees, advisory fees and expense ratios) as compared to other companies within the industry, and the profits expected to be realized by Saratoga Investment Advisors; (iv) the limited potential for economies of scale in investment management associated with managing us; and (v) the estimated pro forma profitability of Saratoga Investment Advisors with respect to managing us.

Pursuant to a separate administration agreement, Saratoga Investment Advisors, which also serves as our administrator, furnishes us with office facilities and equipment, and clerical, book-keeping and record keeping services necessary to conduct our day-to-day operations (the "Administration Agreement"). Under the Administration Agreement, Saratoga Investment Advisors also performs, or oversees the performance of our required administrative services, which include, among other things, being responsible for the financial records which we are required to maintain, preparing reports for our stockholders and reports required to be filed with the SEC. We have also entered into a license agreement with Saratoga Investment Advisors, pursuant to which Saratoga Investment Advisors has agreed to grant us a non-exclusive, royalty-free license to use the name "Saratoga" and "Saratoga Partners." Mr. Oberbeck, our President and Chief Executive Officer, is the primary investor in and controls Saratoga Investment Advisors.

Review, Approval or Ratification of Transactions with Related Persons

The audit committee is required to review and approve any transactions with related persons (as such term is defined under Item 404 of Regulation S-K).

Our Corporate Governance Guidelines, our Code of Business Conduct and Ethics, our Code of Ethics and Board committee charters are available at our Corporate Governance webpage at www.saratogainvestmentcorp.com and are also available to any stockholder who requests them by writing to our Secretary, Henri J. Director Independence

In accordance with NYSE rules and the 1940 Act, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material business or professional relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Nominating and Corporate Governance Committee of the Board (the “Nominating and Corporate Governance Committee”) and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in the NYSE Listed Company Manual. Section 303A.00 of the NYSE Listed Company Manual provides that BDCs, such as the Company, are required to comply with all of the provisions of Section 303A applicable to domestic issuers other than Sections 303A.02, the section that defines director independence. Section 303A.00 provides that a director of a BDC shall be considered to be independent if he or she is not an “interested person” (as defined in Section 2(a)(19) of the 1940 Act) of the Company. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors is independent and has no material business or professional relationship with the Company, except as a director and stockholder of the Company, with the exception of Messrs. Oberbeck and Steenkamp, who are interested persons of the Company due to their positions as officers of the Company and officers of Saratoga Investment Advisors. Steven M. Looney is the designated lead independent director of our Board.

Annual Evaluation

Our directors perform an evaluation, at least annually, of the effectiveness of the Board and its committees. This evaluation includes a series of questions for the directors to consider, followed by a discussion among the Board, Board committees, the Company’s management and outside legal counsel.

Board Meetings and Committees

Our Board met six times during fiscal year 2026. Each director attended at least 75% of the total number of meetings of the Board and committees on which the director served during the fiscal year 2026. The Board’s standing committees are set forth below. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each annual meeting of stockholders. All then-current directors attended the 2025 Annual Meeting of Stockholders.

Communications with Directors

Stockholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to Saratoga Investment Corp., 535 Madison Avenue, New York, New York 10022,

Attention: Secretary. Any communication to report potential issues regarding accounting, internal controls and other auditing matters will be directed to the Audit Committee. Appropriate personnel of the Company will review and sort through communications before forwarding them to the addressee(s).

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to, among others, our executive officers, including our principal executive officer and principal financial officer, as well as every officer, director and employee of the Company. Requests for copies should be sent in writing to Saratoga Investment Corp., 535 Madison Avenue, New York, New York 10022. The Company's Code of Business Conduct and Ethics is also available on our website at www.saratogainvestmentcorp.com.

If we make any material amendment to, or grant a waiver from, a provision of our Code of Business Conduct and Ethics, we will promptly disclose the nature of the amendment or waiver on Current Report on Form 8-K and on our website at www.saratogainvestmentcorp.com.

Practices and Policies Regarding Hedging, Speculative Trading and Pledging of Securities

Our insider trading policy generally prohibits the Company's and Saratoga Investment Advisors' directors, officers and employees from engaging in any short-term trading, short sales and other speculative transactions involving our securities, including buying or selling puts or calls or other derivative securities based on our securities. In addition, such persons are generally prohibited under our insider trading policy from entering into hedging or monetization transactions or similar arrangements, as well as pledging our securities in a margin account or as collateral for a loan, except in limited circumstances that are pre-approved by our chief compliance officer.

Insider Trading Policies

The Company has adopted insider trading policies and procedures governing the purchase, sale, and disposition of its securities by its officers and directors that are reasonably designed to promote compliance with insider trading laws, rules and regulations.

Corporate Governance Guidelines

The Company has adopted Corporate Governance Guidelines, which are available on the Company's website at www.saratogainvestmentcorp.com.

Committees of the Board of Directors

Audit Committee

The current members of the Audit Committee are Steven M. Looney (Chairman), Charles S. Whitman III, G. Cabell Williams and Scott Zoellner. Each director who serves on the Audit Committee is an independent director for purposes of Rule 10A-3 under the Exchange Act. The Board has determined that Mr. Looney is an "audit committee financial expert" as defined under Item 407 of Regulation S-K of the Exchange Act, and that each of Messrs. Whitman, Williams and Zoellner are "financially literate" as required by NYSE corporate governance standards. Each member of the Audit Committee is an independent director. The Audit Committee is responsible for approving our independent accountants, reviewing the plans and results of the audit engagement with our independent accountants, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal controls over financial reporting. The Audit Committee is also responsible for aiding our Board in determining the fair value of debt and equity investments for which market quotations are not readily available; where appropriate, the Board and the Audit Committee may utilize the services of an independent valuation firm to assist them in determining the fair value of these investments. Finally, the Audit Committee also reviews our financial statements and the disclosure thereof and the adequacy of our disclosure controls and procedures.

Authority

The Audit Committee is authorized (without seeking Board approval) to retain special legal, accounting or other advisors and may request any officer of the Company, employee of Saratoga Investment Advisors or the Company's outside counsel or independent auditor to meet with any members of, or advisors to, the Audit Committee. The Audit Committee has available appropriate funding from the Company as determined by the Audit Committee for payment of: (i) compensation to any accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, (ii) compensation to any advisers employed by the Audit Committee and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties. The Audit Committee may delegate its authority to subcommittees or the chairman of the Audit Committee when it deems appropriate and in the best interests of the Company.

Procedures

The Audit Committee meets as often as it determines is appropriate to carry out its responsibilities under its charter, but not less frequently than quarterly. The chairman of the Audit Committee, in consultation with the other committee members, determines the frequency and length of the committee meetings and sets meeting agendas consistent with its charter. The Audit Committee meets separately, periodically, with management, with internal auditors or other personnel responsible for the internal audit function and with the Company's independent registered public accounting firm. The Audit Committee met nine times during fiscal year 2026.

The charter of the Audit Committee is available in print to any stockholder who requests it and it is also available on the Company's website at www.saratogainvestmentcorp.com.

Nominating and Corporate Governance Committee

The current members of the Nominating and Corporate Governance Committee are Charles S. Whitman III (Chairman), G. Cabell Williams, Steven M. Looney and Scott E. Zoellner. Each of the members of the Nominating and Corporate Governance Committee is an independent director. The Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become board members, and recommending director nominees to the Board for election at the next annual or special meeting of stockholders at which directors are to be elected or to fill any vacancies or newly created directorships that may occur between such meetings, recommending directors for appointment to Board committees, making recommendations to the Board as to determinations of director independence, overseeing the evaluation of the Board, overseeing and setting compensation for the independent directors.

In making its recommendations for Board and committee membership, the Nominating and Corporate Governance Committee reviews candidates' qualifications for membership on the Board or a committee of the Board (including making a specific determination as to the independence of each candidate) based on the criteria approved by the Board (and taking into account the enhanced independence, financial literacy and financial expertise standards required under law or the NYSE Listed Company Manual for Audit Committee membership purposes). In evaluating current directors for re-election to the Board or re-appointment to any Board committees, the Nominating and Corporate Governance Committee assesses the performance of such directors, periodically reviews the composition of the Board and its committees in light of the current challenges and needs of the Board, the Company and each committee, and determines whether it may be appropriate to add or remove individuals after considering issues of judgment, diversity, age, skills, background and experience, considers rotation of committee members and committee chairmen and considers any other factors that are set forth in the Company's corporate governance procedures or are deemed appropriate by the Nominating and Corporate Governance Committee or the Board. The Nominating and Corporate Governance Committee considers issues of judgment, diversity, age, skills, background and experience in evaluating candidates for membership on the Board.

The Nominating and Corporate Governance Committee does not have a formal policy on the consideration of director candidates recommended by stockholders. The Board believes that it is more appropriate to give the Nominating and Corporate Governance Committee flexibility in evaluating stockholder recommendations.

In the event that a director nominee is recommended by a stockholder, the Nominating and Corporate Governance Committee will give due consideration to the director nominee and will use the same criteria used for evaluating directors nominated by the Board, in addition to considering the information relating to the director nominee provided by the stockholder.

Authority

The Nominating and Corporate Governance Committee has the sole authority to retain and terminate any search firm assisting the Nominating and Corporate Governance Committee in identifying director candidates, including sole authority to approve all such search firm's fees and other retention terms. In addition, the Nominating and Corporate Governance Committee has the sole authority to retain and terminate any compensation consultant assisting the Nominating and Corporate Governance Committee in the evaluation of director compensation, including sole authority to approve all such compensation consultant's fees and other retention terms. The Nominating and Corporate Governance Committee may delegate its authority to subcommittees or the chair of the Nominating and Corporate Governance Committee when it deems appropriate and in the best interests of the Company.

Procedures

The Nominating and Corporate Governance Committee meets as often as it determines is appropriate to carry out its responsibilities under its charter. The chair of the Nominating and Corporate Governance Committee, in consultation with the other committee members, determines the frequency and length of the committee meetings and shall set meeting agendas consistent with its charter. The Nominating and Corporate Governance Committee met once during fiscal year 2026.

The charter of the Nominating and Corporate Governance Committee is available in print to any stockholder who requests it, and it is also available on the Company's website at www.saratogainvestmentcorp.com.

Currently, none of our executive officers are compensated by the Company and as such the Compensation Committee is not required to produce a report on executive officer compensation for inclusion in our annual proxy statement.

The Compensation Committee has the sole authority to retain and terminate any compensation consultant assisting the Compensation Committee, including sole authority to approve all such compensation consultant's fees and other retention terms. The Compensation Committee may delegate its authority to subcommittees or the chairman of the Compensation Committee when it deems appropriate and in the best interests of the Company.

Procedures

The Compensation Committee shall meet as often as it determines is appropriate to carry out its responsibilities under its charter. The chairman of the Compensation Committee, in consultation with the other committee members, shall determine the frequency and length of the committee meetings and shall set meeting agendas consistent with its charter. PROPOSAL 2 — RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Based on the recommendation of the Audit Committee, the Board, including a majority of the independent directors, approved the selection of Ernst & Young LLP to serve as the independent registered public accounting firm for the Company for the fiscal year ending February 28, 2027 and are submitting the selection of Ernst & Young LLP to the stockholders for ratification. Ernst & Young LLP has advised us that neither the firm nor any present member or associate of it has a direct financial or material indirect financial interest in the Company or its affiliates. We expect that representatives of Ernst & Young LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

If stockholders fail to ratify the selection, the Audit Committee and the Board may, but is not required to, reconsider the selection at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

For the fiscal years ended February 28, 2026 and February 28, 2025, the Company incurred the following fees for services provided by Ernst & Young LLP, including expenses:

Total Fees:	\$ 67,000	\$ 65,000

Audit Fees. Audit fees include fees for services that normally would be provided by the accountant in connection with statutory and regulatory filings or engagements and that generally only the independent accountant can provide. In addition to fees for the audit of our annual consolidated financial statements, the audit of the effectiveness of our internal control over financial reporting and the review of our quarterly consolidated financial statements in accordance with generally accepted auditing standards, this category contains fees for comfort letters, statutory audits, consents, and assistance with and review of documents filed with the SEC.

Tax Fees. Tax fees include services in conjunction with preparation of the Company's tax return.

All Other Fees. Fees for other services would include fees for products and services other than the services reported above.

It is the policy of the Audit Committee to pre-approve all audit, review or attest engagements and permissible non-audit services to be performed by our independent registered public accounting firm. During the fiscal year ended February 28, 2026, the Audit Committee pre-approved 100% of all audit, review or attest engagements and permissible non-audit services in accordance with the pre-approval policy.

Vote Required

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to ratify the selection of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending February 28, 2027. Abstentions and broker non-votes will not be included in determining the number of votes cast and, as a result, do not affect the outcome.

The Board unanimously recommends a vote “FOR” the ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending February 28, 2027.

Audit Committee Report*

The Audit Committee is appointed by the Board to review the Company's financial matters. Each member of the Audit Committee meets the independence requirements established by the 1940 Act and under the applicable listing standards of the NYSE. The Audit Committee is responsible for the selection, engagement, compensation, retention and oversight of the Company's independent registered public accounting firm. The Audit Committee also is responsible for recommending to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K.

The role of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements and internal controls over financial reporting and (2) reviewing the financial reports and other financial information provided by the Company to the public. However, it is not the Audit Committee's duty to plan or conduct the audits or to determine that the Company's financial statements are complete, accurate and in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") or that its internal controls over financial reporting is effective. The Company's management is responsible for the preparation, presentation and integrity of its financial statements, for its accounting and financial reporting principles and for the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

In undertaking its oversight function, the Audit Committee relied, without independent verification, on Company management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with U.S. GAAP and on the representations of Ernst & Young LLP included in their report on our financial statements. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance or professional opinion as to the sufficiency of the external or internal audits, whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or on the effectiveness of the system of internal control.

The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to the conformity of such financial statements with U.S. GAAP and for auditing and reporting on the effectiveness of the Company's internal controls over financial reporting.

In making its recommendation that the Company's financial statements be included in its Annual Report on Form 10-K for the fiscal year ended February 28, 2026, the Audit Committee took the following steps:

- The Audit Committee discussed management's assessment of the effectiveness of the Company's internal controls over financial reporting for the fiscal year ended February 28, 2026.
- The Audit Committee discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, those matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC, including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process.
- The Audit Committee conducted periodic executive sessions with Ernst & Young LLP, with no members of the Company's management present during those discussions. Ernst & Young LLP did not identify any material audit issues, questions or discrepancies, other than those previously discussed with management, which were resolved to the satisfaction of all parties.

* The material contained in the foregoing Audit Committee Report is not "soliciting material," is not deemed "filed" with the SEC, and is not to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

- The Audit Committee received and reviewed the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with us concerning independence, and we discussed with Ernst & Young LLP its independence from the Company. The Audit Committee also considered whether the provision of non-audit services to the Company is compatible with Ernst & Young LLP's independence.
- The Audit Committee determined that there were no former Ernst & Young LLP employees, who previously participated in the Company's audit, engaged in a financial reporting oversight role at the Company.
- The Audit Committee reviewed, and discussed with the Company's management and Ernst & Young LLP, the Company's audited consolidated statement of assets and liabilities at February 28, 2026, and consolidated statements of operations, consolidated statements of changes in net assets and consolidated statements of cash flows for the year ended February 28, 2026.

Based on the reviews and actions described above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended February 28, 2026 for filing with the SEC. In addition, the Audit Committee has approved, and recommended to the Board that it approve, Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending February 28, 2027.

Proposals must also comply with the other requirements contained in the Company’s Bylaws, including supporting documentation and other information.

Proxies solicited by the Company will confer discretionary voting authority with respect to any stockholder proposals submitted pursuant to the advance notice provisions of our Bylaws, subject to SEC rules governing the exercise of this authority.

The above procedures and requirements are only a summary of the provisions in our Bylaws regarding stockholder nominations of directors and proposals of business to be considered by the stockholders. Please refer to our Bylaws for more information on stockholder proposal requirements.
