About Saratoga Investment Corp.

Saratoga Investment Corp. is a specialty finance company that invests primarily in leveraged loans and mezzanine debt issued by U.S. middle-market companies, high yield bonds and collateralized loan obligations. It has elected to be treated as a business development company under the Investment Company Act of 1940. The Company may also opportunistically invest in distressed debt, debt issued by non-middle market companies, and equity securities issued by middle and non-middle market companies. The Company draws upon the support and investment advice of its external manager, Saratoga Investment Advisors, a New York-based investment firm formed to focus on credit driven strategies. Saratoga Investment Corp. is traded on the New York Stock Exchange under the symbol "SAR".
